on

Modern Technologies in Zoological Research

23rd January 2017

Venue

J. Bahadur Seminar Hall

**School of Studies in Zoology
Jiwaji University, Gwalior -474011**

Our University

Jiwaji University came into existence on May 23, 1964. The University territorial jurisdiction extends over the districts of Gwalior, Bhind, Morena, Datia, Ashok Nagar, Shivpuri, and Guna and covers more than 450 affiliated Colleges. The University has been awarded “A” grade in its 2nd cycle of assessment and reaccreditation by NAAC.

Our Department

The School of Studies in Zoology was established in 1971 as one of the teaching departments of the Jiwaji University, Gwalior. The mandate of the School is to impart quality education and training to the students and to conduct research in Zoology and interdisciplinary areas leading to M.Sc., M. Phil, Ph.D. and D.Sc. degrees. The School is well known for excellent research work in various fields of Zoology and allied disciplines. More than 35 research projects have been sanctioned to the School by various agencies, like UGC, DST, DBT, DAE, DRDO, DRDE, DOE, CSIR, ICMR, ICAR, MPCOST, CCRUM, GTZ (Germany) etc.

Special Assistance Programme DRS III

UNIVERSITY GRANTS COMMISSION, New Delhi has sanctioned Special Assistance Programme to SCHOOL OF STUDIES IN ZOOLOGY, JIWAJI UNIVERSITY, GWALIOR for a period of 5 years in the Thrust area SYSTEMS BIOLOGY & ENVIRONMENTAL TOXICOLOGY. In this programme, research activities are being carried out on different topics, like Assessment and biodiversity quality mapping in North Madhya Pradesh, Study on the epigenetic role of some tumor associated genes in gallbladder cancer in North-Central India, Reproductive biology and Food and feeding habits of some fishes in relation to ecological characteristics, Paradigm of phytotherapy in drug targeting and emergent properties as savior against life threatening diseases, Therapeutics in metal and nano toxicology, Signal transduction in fish melanophores, Gender difference in neuroimmunological response, Economic Invertebrate Zoology.

Programme

A seminar is being organized on the topic Modern Technologies in Zoological Research on 23rd January 2017 in the School of Studies in Zoology. In the seminar lectures will be delivered by the invited experts. Research Scholars will present posters in their field of research.

About Gwalior

Gwalior is a historical city, situated in Madhya Pradesh. It is situated 120 km south of Agra and 389 km North of Bhopal. It is well connected to all major Indian cities by road, rail, and air. It is a city of music, with richest musical tradition. The legendary musician, Tansen belonged to Gwalior, was one of the nine Jewels of Emperor Akbar's Court. Most famous and memorable landmarks include Gwalior Fort, the tomb of famous musician Tansen, Jai Vilas Palace, the museum and the Sun temple.
