SOS, Jiwaji University

Gwalior

Dear Sir,

Central Instrumentation Facility (CIF) is conducting 45 days training program on HPLC, LCMS, UV, Powder X-Rd, TGA, DSC, PSA, and FTIR. Training program is starting from 1st May 2022 to 15th June 2022 for science field students. Students, who are interested to gain knowledge on instruments, please contact CIF office.

Looking forward for your's early response.

Thanking you.

Yours sincerely

(Dr. S. K. Shrivastava)
