}
```

Output for insert element and display

```
1.insert 2 delete 3 display 4 exit
Enter your choice1
enter the element:
3

1.insert 2 delete 3 display 4 exit
Enter your choice1
enter the element:
8

1.insert 2 delete 3 display 4 exit
Enter your choice1
enter the element:
9

1.insert 2 delete 3 display 4 exit
Enter your choice3
3
8
9

1.insert 2 delete 3 display 4 exit
Enter your choice
```

Output for delete element and display

```
Enter your choice1
enter the element:
8

1.insert 2 delete 3 display 4 exit
Enter your choice1
enter the element:
9

1.insert 2 delete 3 display 4 exit
Enter your choice3
3
8
9

1.insert 2 delete 3 display 4 exit
Enter your choice2

1.insert 2 delete 3 display 4 exit
Enter your choice3
8
9

1.insert 2 delete 3 display 4 exit
Enter your choice_
```
