Shri Ram Naresh Yadav

His Excellency the Governor of Madhya Pradesh and Chancellor of Jiwaji University, Gwalior

His Excellency Mr. Ram Naresh Yadav the Governor of Madhya Pradesh and Chancellor of Jiwaji University, Gwalior was born on 1 July, 1928 at Azamgarh in Uttar Pradesh. He belonged to a simple family. His father was a teacher. He was a successful lawyer in Azamgarh court. An ardent follower of socialist leader Raj Narain, he was interested in social work and later on joined politics and was elected to Loksabha in 1977. He remained Chief Minister of Uttar Pradesh from 1977 to 1979. He was appointed Governor of Madhya Pradesh on 26th August, 2011 and was sworn into office on 8 September, 2011.

Hon’ble Governor Mr. Ram Naresh Yadav in their several addresses at various occasions has stressed upon the quality education to the students in the universities. He ever stressed on quality education in order to provide opportunities for over all development of the students in the Universities of Madhya Pradesh.

He also emphasized the role of industries and said there was an unprecedented atmosphere for investment in the industrial sector and in the field of information technology. International companies had set their foot in the state for the first time. The Governor said that to help in establishment of new industries, the State Government has drawn up a plan for setting up of industrial areas in different parts of Madhya Pradesh.

His Excellency the Chancellor and Governor of Madhya Pradesh has high hopes from the University Education System for better academic atmosphere without any political activity. He holds the teachers in high esteem, and looks forward towards the youth and students as becoming strength of the nation. He has taken keen interest in streamlining the university system, of the state.
Welcome Note

I feel pleasure in welcoming you to Jiwaji University, one of the finest institutions of higher learning in Central India. Recently the NAAC has accredited with ‘A’ grade to this university. The University is situated in the city of Gwalior, which is the MUSICAL-CULTURAL capital of India. The University campus is under CCTV camera surveillance for student safety. Gwalior has traditionally been the seat of power in India for several centuries and has a unique heritage of great kings, saints, literates, visionaries and reformers. On one hand, India is re-emerging on the global scene and marching towards becoming an economic power and while on the other hand Gwalior is emerging as a hub for various facets of education. The University is poised to be an intellectual nerve center for this rapid growth and development.

Jiwaji University combines the best of ancient wisdom of India with futuristic mantra of ‘Think Global and Act Local’. You will find that continuity co-exists here with the change and traditional excellence thrives with the contemporary. It is to be mentioned here that the University is well placed to grapple with the challenges of creating thought and action in a wide range of spheres so as to progressively respond to the emerging societal needs of our country. We endeavor to inculcate in our students the spirit of competitive efficiency, an ability to re-invent themselves dynamically in their pursuit of global excellence. Our historic and serene campus is located in the North-East of Gwalior. You will find the lush green placid environs, state of art facilities and an ideal atmosphere to pursue learning and conduct research.

Madhya Pradesh has proved its excellence in almost all fronts including higher education, information technology, biotechnology and management. Several multinationals and research institutes are seeking this state for its resources such as technical skills, business acumen and wealth of knowledge. To touch the greater heights in various aspects of sciences, social sciences, management, technical education and to become a world-class institution, Jiwaji University proposes to start a Multidisciplinary Research Park at its campus. This would serve as a knowledge hub with active links with neighboring educational institutions, research institutes and business houses along with leading international Universities as research partners.

At the National level, Jiwaji University has signed Memorandum of Understanding with research institutes in recent years. The MOU would facilitate joint research and exchange of faculty & students. Jiwaji University is also planning to sign MOU with some of the foreign Universities in near future.

I am proud to record the excellent work done by our teachers in molding the younger generation of tomorrow. Efforts are being taken to groom our students to become quality professionals so as to meet the standards of modern industry. The students are exposed to the current happenings in their specialized fields by way of international / National Seminars, Symposia and Conferences.

Each and every student brings his / her unique culture, tradition and perceptions to our University. I personally welcome you to the Jiwaji University – Come and Contribute to this rich heritage and take away a unique learning experience, making it your gateway to success. The students have to get all information on website. In addition all cash transaction is online through bank or mponline.gov.in, not only facilitating the students but also make the university system transparent.

I am hopeful that the information you are looking for, will be available in the pages ahead or on our web site “www.jiwaji.edu”. You may contact the specific School of Studies or Centers to gather the detailed information about the specific course in case of further clarification.

I wish you all the best in your quest for excellence.

Prof. Sangeeta Shukla
Vice Chancellor

Academic Calendar
Jiwaji University came into existence on May 23, 1964, through M.P. Govt. Ordinance no. 15 of 1963. Late Dr. Sarvapalli Radhakrishnan, the then President of India, laid the foundation stone on 11th December 1964 at a sprawling campus of over 225 acres of land at Naulakha Parade ground. This was a generous contribution of Scindia family, in particular Kailashwasi Maharaja Shrimant Jiwaji Rao Scindia and late Rajmata Shrimati Vijayaraje Scindia. The institution was christened after the name of Kailashwasi Shrimant JiwajiraoScindia as a standing memorial to his persona. The motto of the university is embedded in its logo Vidyaya PrapyateTejah.

About Gwalior

Gwalior is an ancient and important city of the Madhya Pradesh. It is named after Rishi GALAV. It is located at the main track of North-Central railways and very well connected to all parts of the country. Trains staring from Delhi run towards Chennai, Bangaore, Goa, Trivendrum, Kanyakumari, Mumbai, Pune, Bhuwaneshwar, Raipur, Bilaspur, Vijaywada, Hyderabad, Vishakhapattanam, etc. stop at Gwalior. Various trains start from Gwalior towards Kolkata, Mumbai, Baruani, Kota, Varanasi, Allahabad, Kanpur, etc. It is also well connected by road and situated at Agra-Bombay highway. It is 120 Kms. south of Agra and 317 Kms. from Delhi.

It is famous for its sangeet gharana, named Gwalior Gharana. It is believed that the famous Music Maestro Tansen was from this city. Padma Vibhushan Ustad Amjad Ali Khan was born, brought up and trained in Gwalior. The magnificent fort of ancient Gwalior has its own archeological and historical importance. Sun temple, a replica of Konark temple of Orissa was built by Birla has its religious and tourist importance. A big TIGRA DAM, a water reservoir forms the major source of drinking water for the city is another attraction of the region.

University Jurisdiction

The territorial jurisdiction of the University is spread over the districts of Gwalior, Bhind, Morena, Sheopur Kalan, Datia, Shivrudi Guna and Ashok Nagar. In the beginning, the university had 25 affiliated colleges but today more than 450 Government, Government aided and Private colleges are imparting education to the students under its jurisdiction. These colleges are of Medical, Engineering, Science, Education, Nursing, Management, Arts and Commerce etc.

Growth

It is now almost Fifty one years that University has witnessed a logarithmic phase of growth. It has also seen the strides that can parallel to any other national/ international academic institutions. The university fraternity has contributed with full strength for the growth of this institution which is flourishing and fragrance in the tough terrain of Chambal and Gwalior region and promoting the higher education for the better quality of life of the people.

During the XII–Plan, the University volunteered for assessment and accreditation by National Assessment and Accreditation council (NAAC) of UGC. The committee has appreciated the approach of inter-disciplinary teaching, extracurricular activities, health and public awareness programs, healthy student-teacher relations, transparent admission procedure, cosmopolitan student profile, judicious use of resources and quality of research. The university has been accredited with ‘A’ Grade. Earlier, the UGC XI plan committee has also appreciated the performance of the university at various fronts. Moreover RUSSA has also categorized two of the Schools viz. Chemistry and Zoology as Deptt. of excellence.

VVIPs Visits

The university has witnessed the presence of various dignitaries in its campus. Some of them are Late Prof. Radha Krishnan, Shri Atal Bihari Vajpai, Dr. A.P.J. Abdul Kalam, Dr. Balram Jakhar, Dr. Rameswar Thakur, Dr. Murli Manohar Joshi, Padma Bhushan Dr. S S Dharkar, Padma Bhushan UstadAmjad Ali Khan, Pandit Kishan Maharaj, Dr. R Chidambaram, Prof. P.K. Iyangar, Prof D P Agrawal Former Chairman UPSC, Prof. Ved Prakash, Chairman UGC, Prof. Mool Chand Sharma, Earlier Chairman UGC, Hon’ble Justice Shri Syed Rafat Alam, Chief Justice of M.P., Hon’ble Justice Sri R.C. Lahoti, Hon’ble Justice Sri S.K. Gangele, Prof. Devraj, and many more.
Visits of Academic Dignitaries

Outstanding academicians Dr. R. Chidambaram; Ex. Principal Scientific Advisor, Govt. of India, Prof. P.K.Iyengar, Prof. S.K. Joshi, DR.V.C.Sahani, Ex. Director, BARC, Prof. P.N.Tandon, NBRC , Dr. K.P.S. Gill, Ex. Chairman Indian Hockey Federation, Padmavibhushan Prof. B. N Dhawan, Formar Director CDRI, Prof. A.N.Mitra, Prof. P. Pushpangadan, Prof. D.P. Agrawal, Mr. Ved Prakash, Chairman UGC and many eminent academicians from India and abroad visited the University and provided an academically enriched environment in the University.

Programs Taught

The academic activities in the university campus were started with Postgraduate teaching and research in 1966 by establishing Schools of Studies in Botany and Zoology. This was followed by the establishment of other School of Studies viz. Physics, Chemistry, Ancient Indian History, Culture & Archaeology, Economics, Mathematics, Commerce and Management. School of Studies in Library & Information Science, Indira Gandhi Academy of Environmental Education, Research &Ecoplanning, Biochemistry, Earth Science, Political Science and Public Administration were added at later dates. The MBA and BBA programs were also started under the faculty of Commerce and Management. BTM, MBA program in Tourism & Travel Management and School of Languages have also come up. The UGC sponsored Department of Adult, Continuing and Extension Education were established a post graduate course in Extension Education and Social Work.

To cater to the needs of society, the University continued started a good number of courses under Self Supporting Program, e.g., Microbiology, Biotechnology, Electronics, Computer Science, Instrumentation & Industrial Analysis, Computer Applications, Environmental Chemistry, Chemical Sales & Marketing Management, Business Economics, Financial Administration. The M.Sc. Neuroscience program was initiated in 2001with DBT-HRD support. The UGC innovative course in Remote Sensing & GIS was also started from the session 2002-2003. In addition, courses in Yoga and Jyotirvignan have also been inducted from the same session. In 2003–2004, the university has started number of new courses, e.g., Biomedical Technology, Molecular and Human Genetics, e-Commerce, Food Technology, Medicinal Plants and Herbal Resource management, Journalism and Mass Communication, PGD Marketing Management: Advertising and Sales Administration. The School of Studies in Languages is imparting teaching for various courses leading to degree, diploma and certificate courses in Hindi, English, Sanskrit, French and M.Phil. in Sanskrit, Hindi and English. In academic session 2010-11, the university has started three new programs viz. MBA Hospital administration, MBA Heritage Tourism Management and M.A. Education. In 2011-12, the students’ witnessed four more academic programs: PGD in Retail Management, PGD in Financial Administration, PGD in Forensic Science and Bachelor of Hotel Management & Catering Technology (BHM&CT). In session 2013-14 a new program of Bachelor of Applied Management (BM) in faculty of Management was started. Beside the university has decided to start few more academic program viz. Bachelor in business studies, Diploma in food Production, Diploma in Security management, Diploma in spirituality and personality development and certificate course in security management from the current academic session 2015-16.

Department of Physical Education has emerged on national scenario by organizing national tournaments in various events of sports. This department is running Courses of Physical Education viz. M.P.Ed.,B.P.Ed. and Yoga. Large playgrounds with all facilities for outdoor games and a gymnasium for indoor games have made possible to organize various tournaments and encourage the students to actively participate in university sports activities. School of Studies in Pharmaceutical studies runs courses for B. Pharma. The department is going to start M. Pharmacy in Pharmaceutics and Industrial Pharmacy from current academic session 2015-16. The Institute of Engineering imparts education in B.E. Electronics, B.E. Chemical Engineering and B.E. in Computer Science and now going to start M. Tech. in Electronics and Chemical Engineering from the current academic session. Post Graduate courses of Law viz. LL.M and five years integrated course of B.A.LL.B. are running in the Institute of Law. This institute has decided to start five years integrated course of B.Com. LL.B. and M.Phil. in Law from current academic session. Under the guide lines of Distance Education Council New Delhi, University has established an Institute of Distance Education to promote education for the students of remote areas through distance mode of learning. Diploma course in Printing Technology is also going to start from current academic session under the UGC program of Community College.

Majority of the courses in the School of Studies are based on semester system in which continuous evaluation of the students is carried out which keeps them busy in their studies round the year. The University is also running M. Phil courses in most of the conventional subjects. All Schools of Studies and Centers are imparting education in basic, advanced and Job oriented courses.
Research Activities

Several research projects sponsored by the Government of India and the State Government funding agencies, like UGC, DST, CSIR, DOE, DAE, DBT, ICMR, ICHR, MPCOST, CCRUM, MPSBB-Bhopal etc. have been sanctioned and completed successfully by various schools of studies. At present 50 projects worth Rs.10 Crore are in operation in the faculties of Art, Social science, Commerce & Management, Life science, Engineering Science, Technology and Physical Sciences. The research laboratories are well equipped with the latest scientific instruments and expertise in the state of the art techniques in physical and biological sciences.

Faculty Members

All the teachers are highly qualified and many of them have been honored with International and National Awards and Fellowships. They are actively engaged in research on current topics and guiding students for their M.Phil. and Ph.D. degrees. They have been regularly organizing and attending International and National Conferences, Seminars, Symposia Workshops etc. The teaching is imparted through conventional as well as with aid of latest audio-visual equipments.

Various faculty members have attended international conferences such as Prof. J.N. Gautam attended and chaired a session in International Conference held on Feb 27-28, 2012 at Muscat Oman, Dr. D.C. Gupta of Physics Department attended International Conference at Singapore. Prof. S. K.Gupta, Prof. of Chemistry has been awarded Fulbright Nehru, Senior Research Fellowship for 2011-12 in Harward University, Washington D.C. USA. Dr. S. N. Mahapatra has also been selected for Commonwealth Academic Staff Fellowship.

Prof. I.K. Patro was elected as Fellow of National Academy of Sciences (India) Allahabad and Dr. K.S. Thakur has awarded Indira Gandhi Vidya Gold Award for his contribution in the field of higher education,

Research Facilities Available

Most of the science departments are well equipped with most advance instrumentation facilities for research as well as teaching. A few important ones are : Transmission Electron Microscope, X-ray unit, Vacuum coating unit, Spectrophotometers (Visible & UV-Single beam & double beam), Vacuum concentrator, Research microscopes, Auto-analyser, Elisa readers, High speed refrigeration centrifuges, Image analyzer, Automatic vibratome, Cryotomes, Gel-documentation systems, Scintillation counter, Chromatographic and Electrophoresis systems, Atomic Absorption spectrophotometer, real time PCRs Cell culture set-up etc. In addition to these major equipments, facilities of some other equipment are under the process of procurement. Facilities for tissue culture, cold room, radiation room are also being developed in certain departments. Department of Physical Education has LASER therapy machine to cure Muscle Injuries.

Convocation

University is organizing annual convocation to award Degrees to the pass outs every year. In last few Convocations University has conferred Honoris Causa degrees of D.Sc to Padmavibhushan Dr. R Chidambaram and Prof. D P. Agrawal, D.Lit. to Tabla Maestro Padmavibhushan Pt. KishanMaharaj, Padmavibhushan Ustad Amjad Ali Khan and Doctor of Medicine to Padmashree Dr. Dharkar. University has conferred Honoris Causa degrees of D. Letter to Justice R.C. Lahoti, Former Chief Justice of India in 2013.

Extra Curricular Activities

To fulfill its social responsibilities towards the nation, the university NSS department continuously organizes various activities. The University has inherited artistic and cultural attributes of the city of Gwalior. It has been honored and awarded several times at various places for the best performance and presentations by students. West Zone University, State and National level Youth Festivals have been organized by the university in recent years. M.P. State Inter University Youth Festival 2011-12 was hosted by Jiwaji University, Gwalior on Feb 25-27, 2012. In this Festival Jiwaji University was declared overall winner

Sports

The university offers outstanding sports opportunities for students. The sports department is very well equipped for playing Basketball, Volleyball, Tennis, Badminton, Football, Hockey, Cricket, Table tennis, Judo, Snooker, Air Shooting and Athletics. The university organizes National, Inter-varsity and Inter-zonal tournaments frequently. In near future, the university is in the process of constructing a swimming pool with international standards. University Women Hockey team has won All India Hockey Tournament in last academic session. University Women Hockey Team has won Gold Medal in West Zone Inter University Competition 2011-12. In All India Inter University Women Hockey Tournament 2011-12 the Women Hockey Team bagged silver medal. University also secured Gold Medal in All India Women Boxing Competition.
**Student Performance at National / International Level**

Every year several students qualify National level tests for research and professional services such as NET, GATE, SLET, IAS, IFS, IPS, PSC, etc. Students also participate in university state and National level sports and cultural activities and bring honors to the university. Many of the research students get various prestigious fellowships from abroad for Ph.D. and post doctoral research.

**University Awards and Medals**

Several medals have been instituted by the university and various eminent personalities in different subjects as a mark of honor to the meritorious and brilliant students of different faculties.

**University Campus**

The campus is planned in such a way that all the residents of the university including teachers, non-teaching staff and students have an easy access to all the daily needs and other facilities within a walking distance. Most of the teachers reside in the campus. There is an efficient team of Security Personnel that maintains safety and security of the campus.

The University Health Centre, situated in the campus provides First Aid and other basic medical facilities to all students, staff members, employees and their wards. A Medical Officer is available for consultation during morning and evening hours at the University Health Centre.

**Hostels**

Academically and socially very congenial environment is provided to all the students residing in the campus. The "Mrignayani Girls Hostel" and “Tatya Tope Girls Hostel” are situated within the campus. The hostels have all the required facilities with well furnished rooms. Appropriate security arrangements have also been made for these hostels. In view of the increasing strength of girl students, the existing accommodation is being extended to provide more rooms. One of the boys hostel named after Captain Roop Singh, a veteran hockey player is also located within the campus to accommodate 150 students. Another boy’s hostel is Arya Bhatta Hostel, which is also well furnished with the Internet and other recreation facilities.

**Administration**

The University has its Proctorial Office to maintain discipline, law and order, and to sort out the grievances of the students in the campus.

The university has its well defined academic calendar and all activities go as per pre-decided schedule. The examinations are held in time and the results are also declared within the stipulated time frame.

The Dean, Students Welfare looks after the problems and welfare of the students besides organizing the cultural and extracurricular activities in the campus. He also prepares the students for their participation in youth festivals.

The meetings of various university bodies like Board of Studies, Research Degree Committee, University court, Academic Council and Executive Council are held regularly to update the syllabi, selection of suitable candidates for Ph.D. programs, solving various other academic and administrative matters and making policy decisions.

**Academic Achievements**

- The academic calendar was timely completed. The examinations were conducted as per the schedule of the academic calendar.
- School of Studies in Zoology was identified for the financial support under Special Assistance Program (SAP) of the University Grants Commission for 5 years.
- DST granted FIST support to the School of Studies in Zoology, Chemistry and Biochemistry / Biotechnology.
- UGC provided considerable financial support for teaching and research in Remote Sensing and GIS to the School Studies in Earth Science under its Emerging and Innovative Teaching program for 5 years.
- UGC provided support to the teaching program on Jyotirvijnan.
- The integrated teaching program was introduced between the subjects like Biochemistry, Biotechnology, Microbiology and Neuroscience for comprehensive and quality teaching.
UGC had approved a course of M.Sc. Tech, in Industrial Maths with Computer application under its innovative programs.

The Distance Education council of India New Delhi, extended financial support as development grant to the Institute of Distant Education for development of self-instructional material for students, computerization, library facility, R & D, satellite link facility and quality assessment mechanism.

Transmission Electron Microscope (TEM) was procured as Central Instrument Facility.

- MOU signed with several important premiers national and international research institutes such as CCMB (Hyderabad), NII (New Delhi), Neuroanatomy Department, University of Cologne, Germany, Institute of Pathology, New Delhi, to provide opportunities for the M.Sc. students to get exposure to new scientific developments and carry out their project work.

- University has received a grant of Rs 9 million from department of Science and Technology.
- University has received Rs. 17 million from ICMR, New Delhi.
- University has received a grant of Rs. 4.85 million from DBT for Bio-InfoTech.
- University has received a grant of Rs. 23.18 million from DBT for HRD, New Delhi.
- University has received a grant of Rs. 3.10 million from C.S.I.R.
- University has received a grant of Rs.12.83 million from MPCCT.
- University has received a grant of Rs.29.50 million from DRDE.

Few more research projects are pending with these agencies for sanction and hope to get them clear soon.

- University has produced number of Ph.D. in different subjects’ during last five years. About 50 students have qualified NET and about 50 students who have qualified GATE.
- The university has increased the number of Research Scholarships to 20 and the amount of scholarship has also been increased to 5000/- per month. Two research projects for women scientist have been awarded in Neuroscience, Bio chemistry, Zoology and Physics in past years.

Seminar / Symposium / Workshop(s)

- Seminar on ‘Animal Welfare and Environmental Pollution’ organized by Indira Gandhi Academy of Environmental Education Research and Ecoplanning on June 20, 2011.
- World Tourism Day was celebrated on Sept. 27, 2011 by SOS in Tourism and Trends Management.
- Seminar on Biodiversity Characterization and Environmental Impact organized by SOS in Zoology on September 28-29, 2011.
- National Seminar on Buddhist Studies in Madhya Pradesh, Organized by SOS in Archeology, Jiwaji University Gwalior from 18-19 October, 2014
- One day workshop on “Application of Remote Sensing and GIS in Geosciences” was organized in Geology Department for P & T Geography Teachers in October 2011.
- Conference on ‘Special Functions and their Applications in engineering’ was organized by School of Mathematics and Allied Sciences jointly with RJIT, Tekanpur, Gwalior on December 10, 2011.
- National conference on “Advances in Electronalytical chemistry” and “4th Alumni Meet was organized on December 23-24, 2011 by SOS in Chemistry.
Training Workshop on ‘Methods is molecular Analysis of complex Diseases’ sponsored by Department of Biotechnology, Ministry of S&T, Govt. of India, New Delhi organized by Centre for Genomics and SOS in Zoology from February 20 to March 10, 2012.

JU-MPCST Cell organized Science Day on 28.02.2012 and Prof. M. Kidwai Hon’ble Vice-Chancellor, Jiwaji University, Gwalior, delivered lecture on Green Chemistry: Today and Tomorrow.

National Symposium on Frontiers in Biochemistry and Biotechnology was organized by SOS in Biotechnology and Biochemistry on March, 16-17, 2012.

National Conference on Recent Trends in Zoology was organized by SOS in Zoology on March 12-14, 2012.

National Seminar on ‘State of Gender and Rights of Women: Focus on Deteriorating Female Sex Ratio, Feticide and infanticide in Gwalior Chambal Region in M.P.’ was organized by SOS in Political Science and Administration on March 28-29, 2012.

NCTE – JU Orientation Workshop was organized by Department of Life Time Education from 14-15 Feb. 2015.

NAAC Awareness Workshop on Assessment and Accreditation was organized by Internal Quality Assurance Cell, Jiwaji University Gwalior from 22-23 March, 2015.

National Conference on Role of Nanomaterials for various Applications in Chemistry: An Ecofriendly approach organized by SOS in Chemistry from 6-8 April, 2015.

Foreign Policy Challenges for Narendra Modi Led NDAII Government, Lecture series was organized by SOS in Political Science from 24-25 April 2015.

H.H. Madhav Rao Scindia memorial Lecture on The policies of Secular sectarianism was organized by SOS in Political Science on 30 April, 2015. The speaker was Prof. Ajai Gudavarthi, JNU New Delhi.

H.H. Rajmata Vijya Raje Scindia memorial Lecture was organized by SOS in Political Science on 24 April, 2015. The speaker was Prof. D. Gopal, Director, Social Science, Indra Gandhi National Open University New Delhi.

National Seminar on Recent Advances in History, Art and Archaeology of Central India, organized by SOS in Archaeology from 25-26 April, 2015.

DST-NASI workshop for Sensitization of Women regarding S & T Fellowship and Internships, organized by Women Development Cell Jiwaji University Gwalior on May 22, 2015.

General Facilities at Campus

University provides in house services of photocopying at subsidized rates to all its members including students. The facility of INFLIBNET has also become available to the researchers of the university to get free access to around 500 research journals and information (UGC INFONET) etc. Computer and internet facilities are available to the students since morning till late night in various schools of studies and in central library. With UGC Grants, University has procured the facility of Smart Classes in selected School of Studies to provide latest teaching facilities to the student. To make the university campus WI-FI, the work is in progress with the help of BSNL Gwalior.

Post Office, Central Bank of India, Cafeteria and a Milk Parlor are also located within the campus for easy approach to the students. Employment exchange and Student counseling centre are also located within the campus. University own Multi-Art complex is under construction.
Open University

The study centers of Indira Gandhi National Open University, New Delhi and M.P. Bhoj (Open) University, Bhopal are also functioning in the University Campus.

Future Academic Plan & Goals

The University has submitted various proposals under the banner of RUSA to Government of India and State Government for financial support to develop its School of Studies as centre of Excellence. The proposal is in pipeline to establish an Institute of Advanced Technologies (IAT) and a Centre for Women Empowerment Studies. The objectives of the IAT is to establish research and teaching centers in some of the most advanced scientific areas such as supercomputing, Nanotechnology, Neuroscience, Genomics and Biomedical Technology.

The University also has a mission of fulfilling its commitment in coming years towards the followings:

- To start new academic programs as per National & Global needs.
- To focus advanced research and to make it more utility based & patent oriented.
- To establish strong University - Industry interaction to make education vocationally relevant.
